

The Whispering Si River--Reflection of the July 20 Flood in Zhengzhou

Author: CHEN Changgeng

Editor's Note:

This is a modern long poem. The poem, through narration by the river itself, describes the historical change of the Yellow River in Henan over thousands of years, and the July 20 storm and flood that Zhengzhou suffered in 2021. The author wants to use the poem as a warning to elaborate the importance of eco-environment protection.

Key words: Si River, pollution, water logging, lesson
