TO ALL CUSTOMERS (Updated)

IBS Marine Group (ClassIBS, IMD, MLS & Associates, ITI, MR Services) is continuously monitoring the updates and information given by our national authorities regarding the Coronavirus (COVID-19). Our concern is the wellbeing of our staff, and to ensure steadiness of our service during this situation.

The Government of Panama has declared (for unspecific period of time) total quarantine with a 24 hour curfew, with a few limited exemptions.

Nevertheless, be sure that we have made necessary arrangements to give you all necessary attention with the enthusiasm and efficiency you deserve. Personnel are available at their emails and mobiles, and remote access (Teleworking) has been arranged for habitual availability.

In addition to the above, please take note the PMA, ARAP, Public Registry and other Government Institutions, are also working limited hours with limited staff. We respectfully ask you to be a little patient during this time.

Please contact us for further details, as required.

“Whichever way the wind blows, we are weathering this storm together”

Yours
