## CHAIRMAN'S STATEMENT

### BUSINESS REVIEW

During this period, the fluctuating licensing market has continued to affect many of our businesses and investments. Although the competitive licensing business environment has challenged us greatly, comics licensing has continued to be a major source of revenue in this period. In order to augment the comics licensing business, the Group will soon launch Ucan, a mobile platform that integrates comics, music, gaming and e-commerce. As of 30 September 2013, the Ucan platform has undergone its final testing, and the expected launching date will be sometime during the second half of 2013. Combining elements of comics, music, gaming and shopping in one portal that can be accessible by many mobile devices at any time, Ucan is uniquely positioned to offer a one-of-a-kind experience not easily found elsewhere.

The global game market has remained highly competitive in this period as well. In order to stay ahead of the competition, our Group has successfully migrated to mobile game and comics development, with in-house development effort in partnership with global gaming developers. In line with that strategy, a few beta version mobile games and comics series were launched during the period, while more releases are pending in the second half of 2013. We hope by partnering up with global game developers, we can produce unique games that will meet the demand of China's growing gaming community.

With respect to the culturally related technology, our Group has secured suitable cooperative partners to enhance and further commercialize its technologies. One of the golden ideals of the Group has always been about bringing Chinese culture into the mainstream; and in light of this, our Group is at the final stages of developing an Asian-flavor animation/comic creation interface using our very own Generating Engine technology. Our huge animation/comic image database and this Generating Engine together will allow the mass public to participate in the production process; lowering cost on one hand, while appealing to a new generation of artists.

Aside from technology and comics, our Group's venture in the petroleum extraction business has flourished over the period, but owing to various difficulties encountered in its drilling and exploration activities, operating earnings were somewhat negatively affected. With a strong desire to refocus on its core business of comics and gaming, the Group, on 6 February 2013, entered into a sale and purchase agreement with an independent third party ("Purchaser") in relation to the disposal of 100% equity interest of Raise Beauty Investments Limited ("Raise Beauty"), the company that holds the exploration rights, at a consideration of RMB80,000,000. The Group received 40% of the consideration upon the signing of the agreement, in which 40% equity interest of Raise Beauty was transferred to the Purchaser. The disposal of remaining 60% was completed on 22 October 2013, upon which the remaining 60% equity interest of Raise Beauty was transferred to the Purchaser.

## CHAIRMAN'S STATEMENT

### PROSPECTS

Looking forward, the Group is excited about its future projects, and optimistic of its upcoming journey. We will continue to be proactive in making strong business development strategy by partnering with online and offline merchants. The Group will introduce more games and comics to Ucan to increase sales, optimize the game publishing platform for an overall enhanced user's experience, as well as leverage on our position in publishing and multi-media to further strengthen our brand recognition in the international arena. Besides Ucan, the Group will continue to make further inroads to our core business of animation and comics market in Asia, such as setting up educational programs and training grounds for artists and like-minded animators in China. In spite of the upcoming challenges, the Group is confident that it will entrench its predominance and market position with its solid foundation in comics and game publishing. All in all, we salute to our shareholders wholeheartedly, and promise that we will continue to strive for the best investment strategies that would benefit them in the long run.

### APPRECIATION

I would like to express my sincere gratitude to the Board of Directors, our management and staff for their continued dedication in the past period, and to all our customers, suppliers, business partners and shareholders for their enthusiastic support of the Group.

## REPORT ON REVIEW OF CONDENSED CONSOLIDATED FINANCIAL STATEMENTS

**Deloitte.**  
德勤

**TO THE BOARD OF DIRECTORS OF CULTURECOM HOLDINGS LIMITED**

*(incorporated in the Bermuda with limited liability)*

### INTRODUCTION

We have reviewed the condensed consolidated financial statements of Culturecom Holdings Limited (the "Company") and its subsidiaries set out on pages 6 to 33, which comprise the condensed consolidated statement of financial position as of 30 September 2013 and the related condensed consolidated statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the six-month period then ended, and certain explanatory notes. The Main Board Listing Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited require the preparation of a report on interim financial information to be in compliance with the relevant provisions thereof and Hong Kong Accounting Standard 34 "Interim Financial Reporting" ("HKAS 34") issued by the Hong Kong Institute of Certified Public Accountants. The directors of the Company are responsible for the preparation and presentation of these condensed consolidated financial statements in accordance with HKAS 34. Our responsibility is to express a conclusion on these condensed consolidated financial statements based on our review, and to report our conclusion solely to you, as a body, in accordance with our agreed terms of engagement, and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report.

### SCOPE OF REVIEW

We conducted our review in accordance with Hong Kong Standard on Review Engagements 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Hong Kong Institute of Certified Public Accountants. A review of these condensed consolidated financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Hong Kong Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

## CONCLUSION

Based on our review, nothing has come to our attention that causes us to believe that the condensed consolidated financial statements are not prepared, in all material respects, in accordance with HKAS 34.

Without qualifying our review conclusion, we draw attention to the fact that the comparative condensed consolidated statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the six-month period ended 30 September 2012 and the relevant explanatory notes included in these condensed consolidated financial statements have not been reviewed in accordance with Hong Kong Standard on Review Engagements 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity".

## NOTES TO THE CONDENSED CONSOLIDATED FINANCIAL STATEMENTS

**1. BASIS OF PREPARATION**

The condensed consolidated financial statements of Culturecom Holdings Limited (the "Company") and its subsidiaries (collectively referred to as the "Group") have been prepared in accordance with Hong Kong Accounting Standard ("HKAS") 34 *Interim Financial Reporting* issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA") as well as with the applicable disclosure requirements of Appendix 16 to the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited.

**2. PRINCIPAL ACCOUNTING POLICIES**

The condensed consolidated financial statements have been prepared on the historical cost basis except for certain financial instruments, which are measured at fair values.

Except as described below, the accounting policies and methods of computation used in the condensed consolidated financial statements for the six months ended 30 September 2013 are the same as those followed in the preparation of the Group's annual financial statements for the year ended 31 March 2013.

In the current interim period, the Group has applied, for the first time, the following new or revised Hong Kong Financial Reporting Standards ("HKFRSs") issued by the HKICPA that are relevant for the preparation of the Group's condensed consolidated financial statements.

Amendments to HKFRSs	Annual Improvements to HKFRSs 2009 – 2011 Cycle
Amendments to HKFRS 7	Disclosures – Offsetting Financial Assets and Financial Liabilities
Amendments to HKFRS 10, HKFRS 11 and HKFRS 12	Consolidated Financial Statements, Joint Arrangements and Disclosure of Interests in Other Entities: Transition Guidance
HKFRS 10	Consolidated Financial Statements
HKFRS 11	Joint Arrangements
HKFRS 12	Disclosure of Interests in Other Entities
HKFRS 13	Fair Value Measurement
Amendments to HKAS 1	Presentation of Items of Other Comprehensive Income
HKAS 19 (as revised in 2011)	Employee Benefits
HKAS 27 (as revised in 2011)	Separate Financial Statements
HKAS 28 (as revised in 2011)	Investments in Associates and Joint Ventures
HK(IFRIC) – Int 20	Stripping Costs in the Production Phase of a Surface Mine

## NOTES TO THE CONDENSED CONSOLIDATED FINANCIAL STATEMENTS (Continued)

### 2. PRINCIPAL ACCOUNTING POLICIES (Continued)

#### **New and revised Standards on consolidation, joint arrangements, associates and disclosures**

In the current interim period, the Group has applied for the first time HKFRS 10, HKFRS 11, HKFRS 12 and HKAS 28 (as revised in 2011) together with the amendments to HKFRS 10, HKFRS 11 and HKFRS 12 regarding the transitional guidance. HKAS 27 (as revised in 2011) is not applicable to these condensed consolidated financial statements as it deals only with separate financial statements.

The impact of the application of these standards is set out below.

#### **Impact of the application of HKFRS 10**

HKFRS 10 replaces the parts of HKAS 27 *Consolidated and Separate Financial Statements* that deal with consolidated financial statements and HK(SIC)-Int 12 *Consolidation – Special Purpose Entities*. HKFRS 10 changes the definition of control such that an investor has control over an investee when a) it has power over the investee, b) it is exposed, or has rights, to variable returns from its involvement with the investee and c) has the ability to use its power to affect its returns. All three of these criteria must be met for an investor to have control over an investee. Previously, control was defined as the power to govern the financial and operating policies of an entity so as to obtain benefits from its activities. Additional guidance has been included in HKFRS 10 to explain when an investor has control over an investee.

Based on the existing group structure, the initial application of HKFRS 10 is not expected to have a significant impact on the amounts reported in the condensed consolidated financial statements.

#### **HKFRS 13 Fair Value Measurement**

The Group has applied HKFRS 13 for the first time in the current interim period. HKFRS 13 establishes a single source of guidance for, and disclosures about, fair value measurements, and replaces those requirements previously included in various HKFRSs. Consequential amendments have been made to HKAS 34 to require certain disclosures to be made in the interim condensed consolidated financial statements.

The scope of HKFRS 13 is broad, and applies to both financial instrument items and non-financial instrument items for which other HKFRSs require or permit fair value measurements and disclosures about fair value measurements, subject to a few exceptions. HKFRS 13 contains a new definition for 'fair value' and defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal (or most advantageous) market at the measurement date under current market conditions. Fair value under HKFRS 13 is an exit price regardless of whether that price is directly observable or estimated using another valuation technique. Also, HKFRS 13 includes extensive disclosure requirements.

In accordance with the transitional provisions of HKFRS 13, the Group has applied the new fair value measurement and disclosure requirements prospectively. Disclosures of fair value information are set out in note 19. Other than the additional disclosures, the application of the HKFRS 13 has not had any material impact on the amounts recognised in the condensed consolidated financial statements.

## NOTES TO THE CONDENSED CONSOLIDATED FINANCIAL STATEMENTS (Continued)

### 2. **PRINCIPAL ACCOUNTING POLICIES** (Continued)

#### **New and revised Standards on consolidation, joint arrangements, associates and disclosures** (Continued)

##### ***Amendments to HKAS 1 Presentation of Items of Other Comprehensive Income***

The amendments to HKAS 1 introduce new terminology for statement of comprehensive income and income statement. Under the amendments to HKAS 1, a statement of comprehensive income is renamed as a statement of profit or loss and other comprehensive income and an income statement is renamed as a statement of profit or loss. The amendments to HKAS 1 retain the option to present profit or loss and other comprehensive income in either a single statement or in two separate but consecutive statements. However, the amendments to HKAS 1 require additional disclosures to be made in the other comprehensive income section such that items of other comprehensive income are grouped into two categories: (a) items that will not be reclassified subsequently to profit or loss; and (b) items that may be reclassified subsequently to profit or loss when specific conditions are met. Income tax on items of other comprehensive income is required to be allocated on the same basis – the amendments do not change the existing option to present items of other comprehensive income either before tax or net of tax. The amendments have been applied retrospectively, and hence the presentation of items of other comprehensive income has been modified to reflect the changes.

Other than the above mentioned presentation changes, the application of the amendments to HKAS 1 does not result in any impact on profit or loss, other comprehensive income and total comprehensive income.

Except as described above, the application of the other new or revised HKFRSs in the current interim period has had no material effect on the amounts reported and/or disclosures set out in these condensed consolidated financial statements.
