## Mr. CY Leung will start to boost the Hong Kong economy in the coming year

The Chief Executive of HKSAR, Mr. CY Leung met with Taiwanese entrepreneur and mentioned that the acceleration of Hong Kong economy is one of the very important issues in the coming year, including building the Hong Kong brand, strengthening the cooperation between China and Taiwan's entrepreneurship.

Dr. Steve T. Chen, Executive Director of Ucan.com Group, said that Mr. CY Leung will first solve the problems of poverty, housing, aging population, and the enhancement of the economic development will be the next important issue. Dr. Chen added that, it was important to find out the industry trend in order to boost the Hong Kong economy. And he believed that the cooperation with Taiwan on the digital cultural creative industry would have great development potential.
