**Popular vote winner of Culturecom singing contest  
Has chance to sing with Jay Chou**

Culturecom (343.HK)'s social gaming platform – Ucan.com will be launched in January 2013 and a singing contest Socialoke will be its first promotion campaign. Interested talents can simply upload their songs to the website and Ucan.com users will vote for their favorite singers. The winner of Socialoke will have the chance to participate in Jay Chou's world tour concert next year.

Dr. Charles Chan Kwok Keung is a strategic shareholder of Culturecom and also a shareholder of TVB (511.HK) which recently organized a similar popular vote for its annual Best Actor and Best Actress awards.
